Located smack-dab in central Stockholm, Bonniers Konsthall offers a spectacular setting for both large and small corporate events. Spread out over 11,000 square feet (1,000 sq m), the Kunsthalle encompasses the entire street level location of the glass structure designed by architect Johan Celsing. From within the Konsthall's walls, the most unique events, marrying meetings and contemporary art, are made possible.

FOOD, DRINKS, INFORMATION AND BOOKINGS LANTHANDELNS CATERING
